

AY19 Room Grading Sheet

Room #:	Class:	Occupants:	
Scoring Guidelines:		Each numbered row = 1 gig if an aspect of that row's standard is not met. A section's score is the number of points minus the number of gigs. Section II must score 2 or higher. All others must score 1 or higher to pass.	
Section I: Coat Closet (3 points)			Gigs
1	All issued items present and in correct order (Raincoat, Long-O, Parka, Black Jacket, Goretex, ACU Fleece, PT Jacket, Bathrobe). All items displayed as worn. Hangers are evenly spaced and canted to the right.		
2	Shoes organized and displayed neatly as worn. Broom and dust pan stored neatly. Top shelf clean of any trash or dust, with exception of neatly arranged recyclables.		
3	Area is generally clean and swept. If Firstie, Saber crest facing out. If underclassman, rifles secured.		
Section II: Sink Area (4 points)			
1	Sink, Faucet, and counter top, medicine cabinet shelves free of any grime or smudges. Stopper pulled up/sink dry (AMI only). Mirror free of any streaks or smudges.		
2	Medicine cabinet arranged neatly with no grime or smudges on shelves. Area beneath sink is generally neat and organized.		
3	Laundry bag closed (draw strings cinched) and placed neatly inside with no excess laundry outside of the bag. Towel and washcloth folded IAW Standards of Cadet Living Areas.		
4	Trash can is clean and containing minimal garbage. If appliances displayed on counter, they must be accordance with USCC SOP. Sink light dusted.		
Section III: Bed Area (4 points)			
1	Bed is made IAW Standards of Cadet Living Areas (2 sheets, mattress cover, gray blanket, green blanket, pillow). Bed sheets are tight and clean.		
2	Pillow and green girl folded neatly and correctly. Area beneath and behind bed is generally clean with items underneath organized.		
3	Shoes and boots aligned correctly and displayed as worn. Shoes are shined and boots are generally clean.		
4	Bed locked and all bunk beds made opposite (head to toe)		
Section IV: Desk Area (3 points)			
1	Desk Area generally organized and clean. Books on shelf are organized in descending height order (large books, and binders may be stored horizontally).		
2	Drawers are closed, clean, and organized neatly.		
3	All items on desk and shelves are dusted, arranged neatly and do not detract from the military appearance of the room.		
Section V: Wardrobe/Bureau Area (AMI Only, 3 points)			
1	Wardrobe organized with all uniforms, regardless of season, present and displayed IAW Standards of Cadet Living Areas.		
2	All uniforms displayed as worn (if extra items such as a W/G shirt are hung, they do not require rank, nameplates, etc). Hangar hooks canted towards the right and hangars evenly spaced throughout wardrobe (no metal hangers).		
3	Number of civilian shirts/items is IAW with class privileges. Hat brass is shined. Top drawer in wardrobe IAW Standards of Cadet Living Areas. Bottom drawer folded and organized neatly.		
Section VI: General Area (3 points)			
1	Nametapes are placed correctly and IAW Standards of Cadet Living Areas.		
2	All HVIs secured.		
3	General floor and each area is swept and shades rolled up.		
Room must score at least 15 for passing room in AMI (12 for PMI). Anything less results in a failed inspection.		Total Score/Pass or Fail:	/20 P or F
Automatic Failures: Closed door or sleeping during AMI, incorrect AMI documents posted, unauthorized device connected to the network.
